

## Region 4 USDF Team Competitions for NWDA Members

The NWDA Board of Directors has agreed to sponsor teams of riders representing NWDA to both the Region 4, Junior/Young Rider Team Championships (June 27) and the Adult Team Championships (Aug.1). Both shows are recognized shows with entries restricted to the designated classifications of riders. NWDA is willing to pay the entry fees for the riders for the shows and assist with arranging team placement, possible transportation, and possible coaching, for the riders interested in attending. The Coordinator, Lorraine Norrgard, will notify riders as to their team-mates and arrange team meetings, if necessary, to assist the junior riders attending these shows.

Requirements - There is no score required for participation in the Team Championships, though the Coordinator must approve the level of the riders on the team. Parents of Junior riders must be present at the event unless they have given permission in writing for another parent to be responsible for their daughter or son. All riders have been members of NWDA for at least a year before riding in the Team Championship for NWDA sponsorship. Please wait until you are notified of your team before sending in the entry forms so that team names are consistent! Team riders will be reimbursed for their entry fees after the July Board meeting for Juniors and after the September Board Meeting for adults. Juniors may request fellow team members but the team roster requested is not guaranteed. If you are interested in attending as a groom or have any other questions, please contact the coordinator at lnorrgard@aol.com.

Mail application forms to Lorraine Norrgard, 345 Prevost Rd., Cloquet, MN 55720 by May 15 for Juniors, and by July 15 for Adults.
